¹Cannot retrofit on existing cylindrical lock door preps with thru-bolt holes outside the 2-1/8" bored hole.

²Square thumbturn (T2) must be specified as an option before lock order string. The standard thumbturn will be supplied if T2 option is not listed.

Square shapes relay a sense of stability, strength and balance to bring a decidedly minimalist feel to your next interior. The new modern square trim from SARGENT is available with all 39 Studio Collection decorative levers in any of the 14 architectural finishes...be hip, go square.
